SUMMARY

I am pursuing my final year of MCA at Ajeenkya D Y Patil University, Pune. I completed Salesforce Developer Catalyst Course. and I did several courses on online platforms such as Data Science, Machine Learning, etc. My Ability to work with C++, Java, Python, PHP, NodeJS, and Salesforce. I can work well under pressure and make the best of any situation. A passionate individual with excellent interpersonal and communication skills.

EDUCATION

Masters Of Computer Application (MCA)   **Ajeenkya D Y Patil University, Pune**

GPA - 9.2 | Cloud Technology   **Jan 2021–May 2023**

Bachelors Of Computer Application (BCA)   **K. C. Das Commerce College, Assam**

GPA - 6.55   **Aug 2017–May 2021**

TECHNICAL SKILLS

- **Programming Languages:** C, C++, Java, Python, C#, HTML5/CSS, PHP, JavaScript, Erlang
- **Web Technologies:** Spring Boot, Hibernate, React, Django, Amazon Web Services (AWS), nodeJS, Drupal, WordPress
- **Machine Learning Technologies:** Numpy, PyTorch, TensorFlow, Scikit-learn, Pandas, Keras
- **Tools/Databases:** Kafka, Jira, Git, Grafana, ElasticSearch, MySQL, PostgreSQL, Redis, MongoDB

EXPERIENCE

SmartInternz   **Salesforce Developer**   **Jul 2022–Sep 2022**

- I Successfully completed **Salesforce Developer Virtual Internship**. Salesforce Developers are responsible for analyzing company processes, developing CRM workflows, and adapting applications for business needs. Other duties mentioned in a typical Salesforce Developer resume sample are preparing technical documentation, providing assistance to other developers, and testing applications.
- Working with User Management, Data Management, Security, Data Analysis, Business Analyst, Change Management, Process Automation, Problem Solving, and Development using Apex, LWC.

WebPagal Com   **Website Developer**   **Sep 2018–Jan 2020**

- WebPagal is a Music and Video sharing company. I made this website with PHP, CSS, JavaScript, and MySQL for the database.
- This website supports lots of tools that are made by me such as Uploading Music and Video, Import Videos from Youtube, Convert any format like MP4 to Mp3, MKV to Mp4, etc

MusicND.iN   **Web Developer**   **Jul 2015–Sep 2018**

- MusicND is a Wapka base website that I design. It is a Music and Video sharing and downloading Website.
- Wapka Provides lots of tools for designing a website. You can also use custom CSS or PHP base scripts and it supports JavaScript.

PROJECTS

- **Covid19 Dashboard & Analysis Using Machine Learning**: This is a Large scale project for Covid19 Prediction Using Machine Learning. The objective of the paper is to formulate a simple average aggregated machine learning method to predict the number, size, and length of COVID-19 cases extent and wind-up period crosswise India. This study examined the datasets via the Autoregressive Integrated Moving Average Model (ARIMA). The study also built a simple mean aggregated method established on the performance of 3 regression techniques as Support Vector Regression (SVR, NN, and LR), Neural Network, and Linear Regression.

- **School Management System**: School Management System Project have Teachers, Accountants, Librarians, Students, and their Parent, SuperAdmin, Admin, Librarian, and Receptionist login system and each one have inbuilt user roles. And also you can create an unlimited number of user roles for staff members.

- **Digital Marketing Website Templates**: DigitalMarketing is a Website or HTML Template. It is a Responsive web design It will automatically adjust for different screen sizes and viewports. I am using Bootstrap and Google Fonts. I created some animations with CSS and JavaScript.

PROFESSIONAL CERTIFICATES

- **Diploma in Interconnecting Cisco Networking Devices Part 1 (ICND1) v3 CCNA** - Alison
- **Diploma in Interconnecting Cisco Networking Devices Part 2 (ICND2) v3 CCNA** - Alison
- **CompTIA Cloud Basic** - Alison
- **Diploma in DevOps Engineering - Kubernetes, Docker and Google Cloud** - Alison
- **Diploma in Python Programming** - Alison
- **API Designer** - API Academy
- **Diploma in Using Python for Data Science** -Alison

- **Diploma in Interconnecting Cisco Networking Devices Part 1 (ICND1) v3 CCNA** - Alison
- **Diploma in Interconnecting Cisco Networking Devices Part 2 (ICND2) v3 CCNA** - Alison
- **CompTIA Cloud Basic** - Alison
